

LEVADAS

MOUNTAIN WALKS

A narrow, stone-lined water channel flows through a dense, green forest. The path is flanked by trees and foliage, creating a shaded, natural setting.

Ribeiro Frio/Portela (11km/4h)

A stone-lined water channel flows through a narrow, wooded tunnel. The walls are covered in moss and the trees are dense, creating a dark, enclosed atmosphere.

Rabaçal/25 Fontes (9km/3h)

A view through a natural rock archway into a lush, green landscape. The scene is framed by dark, mossy rock walls, with bright light and greenery visible through the opening.

Caldeirão Verde (13km/4:30h)

A rocky mountain peak with a small white marker. A group of people is gathered on a path leading up to the peak. The sky is clear and blue.

Pico do Areeiro/Ruivo (12km/4:30h)

A stone-lined water channel flows through a lush, green landscape. The path is flanked by dense vegetation and trees, with mountains visible in the background.

Levada do Norte (7km/2:30h)
